

CDJ-400

The CDJ-400 is one of the latest additions to the ECD range and in terms of powered cash drawers is also the narrowest. At 9kg in weight it is an extremely solid and robust unit. With exception of the insert it is fabricated from heavy gauge epoxy coated mild steel, capable of withstanding the most demanding of retail environments.

FEATURES

- Removable and adjustable insert with 4 note compartments and 8 coin cups
- Three position release lock
- Dual posting slots for media storage
- Microswitch for open/closed drawer status
- Fixed 24 volt solenoid and interface cable configured to suit Epson, Axiohm and Star printers

OPTIONS

- Textured Epson Cool White or Black finish
- Lockable lid for insert tray
- Fixed 12 volt solenoid and interface cable with RJ12 jack plug
